

Project Name: **Century Towers**

Project type: Historic renovation of existing apartments

Address: 627 North 25th Street  
St. Joseph, Missouri

Completed: 2002

Description: Built in 1929, Century Towers was originally designed as the premier elderly housing project in St. Joseph, Missouri. In 2001, Century Towers was listed in the National Register of Historic Places. Finished in June 2002, SWD provided construction documentation and administration for the complete renovation of the building into 36 apartments.
