

Project Name: **Jewell Apartments**

Project type: Historic renovation and adaptive reuse to apartments

Address: 920 Broadway Avenue
Kansas City, Missouri

Completed: 2002

Description: The Jewell building was constructed in 1921 and is listed as a contributing structure in the Wholesale District on the National Register of Historic Places.

The program for the 3 story Jewell Building consists of 15 loft style apartment units.

SWD services included schematic design, construction documents and construction administration.
